WALL-MOUNTED SHOWER RISER RAIL, GREY/WHITE

70-6600

A lightweight but robust polyester powder-coated anodised aluminium riser rail with inclusive-design sliding handset holder, mechanism release extender and fixing plates for vertical wall mounting alongside Horne T605--2L dual-mode accessible shower variants to achieve Doc M compliance. Colour grey/white. 675mm long between fixing point centres. May also serve as a supportive grab rail. Product Reference **70-6600** and drawing D11397. To be installed according to the manufacturer's instructions.

Manufactured and supplied by Horne Engineering Ltd, PO Box 7, Rankine Street, Johnstone, PA5 8BD
Tel: +44 (0)1505 321455, Fax: +44 (0)1505 336287, email: sales@horne.co.uk.
